The Autism Program

Supporting you with compassion and confidence of care

Every person diagnosed with autism has their own strengths and challenges. That's why our Autism Program is designed to support you and your family in a personalized way. We value you and want you to feel confident managing your care. We'll help you:

- Understand and access resources that are right for you.
- Guide your whole family through the healthcare system.
- Use your benefits to get the best results.

Specialized case management services

Our case managers can work with you and your family by:

- Connecting you to resources on autism and support.
- Tailoring referrals to meet your family's needs.
- Creating a customized care plan.
- Offering education to support your family's health goals.
- Coordinating care so healthcare professionals can work together to better help you.

Review of Applied Behavior Analysis (ABA) therapy

Our dedicated clinicians are highly trained on efficient care that brings about the best results. They'll work with your care team so you or your family member can receive the right care at the right time.

We're here for you
